Your out-of-pocket costs depend on the network status of your provider. To check status, use the "Find a doctor" web tool on [bluecrossmn.com](http://bluecrossmn.com).

**Lowest out-of-pocket costs:** in-network providers

**Higher out-of-pocket costs:** out-of-network participating providers

**Highest out-of-pocket costs:** out-of-network **nonparticipating** providers

If you receive services from a nonparticipating provider, you will be responsible for any deductibles or coinsurance plus the DIFFERENCE between what Blue Cross would reimburse for the nonparticipating provider and the actual charges the nonparticipating provider bills. This difference does not apply to your out-of-pocket maximum. This is in addition to any applicable deductible, copay or coinsurance. Benefit payments are calculated on Blue Cross' allowed amount, which is typically lower than the amount billed by the provider.

This is only a summary. Your contract will provide a detailed description of what is and is not covered. Services not covered include custodial care or rest cures, bariatric surgery, infertility, adult eyewear, adult dental services, services that are experimental, not medically necessary or received while on military duty and certain services for the treatment of autism.

Each health care provider in the network is an independent contractor and is not our agent.

St. Luke's Hospital of Duluth is an independent company that provides health care services.

Blue Cross® and Blue Shield® of Minnesota and Blue Plus® are nonprofit independent licensees of the Blue Cross and Blue Shield Association.
