For plans with more than one person (family plan), no one member will exceed the single in-network deductible amount listed below. Also, eligible costs incurred by all covered family members count toward satisfying the family in-network deductible.

STEP 4 - Special Enrollment

A Special Enrollment Period is defined as a period during which you and your family have a right to sign up for new or make changes to existing health coverage. Special Enrollment Period qualifying life events include, but are not limited to, certain permanent moves, certain changes in your income and changes in your family size (such as if you marry, birth or adoption) or a loss of coverage. If you are enrolled in a plan that counts as minimum essential coverage in most instances consumers have 60 days from the occurrence of the qualifying life event to sign up for or make changes to existing coverage; however there are some instances defined in the chart below that allow 60 days before and after a qualifying life event to sign up for or make changes to existing coverage.

This Special Enrollment Period section within this Application CANNOT be used to make changes to coverage purchased from MNsure or to purchase new coverage from MNsure. To make such changes or purchases, you must contact MNsure directly.

If you would like to enroll or change plans due to a qualifying life event, you must complete this Special Enrollment section and include or attach any necessary supporting documents. Select the appropriate qualifying life event below. The listing of qualifying life events is subject to change. If you do not see the qualifying event that describes your situation, please contact us at 1-800-262-0823.

All materials, including supporting document(s), must be provided before coverage will begin. Failure to provide all materials, including any supporting documents (listed below) to prove eligibility, may delay your Application or cause you to be denied coverage.

STEP 6 - Sign, Authorize and Date Application

My/our signature on this Application indicates that I/we have read and fully understand the following statements when applying for health coverage through Blue Cross and Blue Shield of Minnesota and/or Blue Plus (Blue Plus): I understand and agree that coverage, if approved, will begin as specified on page 7. I authorize Blue Plus either to use information from my check to make a one-time electronic funds transfer from my account or to process the payment as a check transaction. When Blue Plus uses information from my check to make an electronic funds transfer, funds may be withdrawn from my account as soon as the same day Blue Plus receives my check and I will not receive my check back from my financial institution.

I understand that the health plan I have selected contains a limited number of providers in the network listed on my Application, the providers in the network may change from time to time, and not every provider is in-network for my plan. I also understand and acknowledge that with limited exceptions if I visit a provider or a location that is not in-network, I will pay more for my care, and these costs will count towards any applicable Out-of-Network cost sharing (e.g., the Out-of-Network deductible and Out-of-Pocket Maximum).

I understand that coverage will be provided under an individual contract. I understand that Blue Plus does not issue individual coverage through any arrangement with an employer. Blue Plus is not responsible for any action taken by an employer that results in this coverage being considered group coverage under state or federal law. The employer is solely responsible for any such finding.

For purposes of obtaining information in connection with this Application, reinstatement, or change in policy benefits, this release is valid as long as I am continually covered with Blue Plus. I am entitled to receive a copy of any release I sign. I agree if I am enrolling in a product that features certain designated providers, Blue Plus may share my name, address and telephone numbers, as well as my past, current and future health and account records with such designated providers about services I have received from such designated providers and other care providers unrelated to such designated providers. These records may be used by the designated providers as needed to manage or coordinate my care and to improve the quality of that care.

Blue Plus primarily relies upon the information provided and full disclosure of the information listed on this Application in the decision whether to accept the applicant and/or dependent(s) listed on this Application for coverage. I acknowledge the importance of providing accurate and complete information. I acknowledge I must answer all questions in the Application, even if I and/or dependent(s) listed on this Application currently have coverage or had prior coverage with Blue Plus. I understand I must be a permanent resident of Minnesota to be eligible for this coverage and I hereby attest that as of the effective date of my contract I am a permanent resident of Minnesota at the permanent home address listed in step 1 and am eligible for this coverage. I also understand that if this attestation is determined not to be true, Blue Plus will rescind my contract and coverage, and no claims will be paid. I further attest that I was not encouraged or advised to apply for this coverage in connection with any offer by an "ineligible third party" (described on page 1) to directly or indirectly pay all or some of my premiums or cost-sharing.

I understand and agree that payment of a claim does not preclude the right of Blue Plus to deny future claims or take any action it determines appropriate, including rescission of the contract and seeking repayment of claims already paid. I understand that this plan does not include coverage for the pediatric dental essential health benefit and that Blue Plus has made me aware of pediatric dental coverage available for purchase through a separate contract.

I agree to notify Blue Plus immediately of any change in my (or my dependent(s)) enrollment information contained in this Application or otherwise provided. Failure to notify Blue Plus of any change in the information contained in this Application or otherwise provided may result in the denial of a claim(s), rescission of the contract, the issuance of a contract amendment, or a premium adjustment.

Upon request, I agree to furnish additional information needed concerning my eligibility or any dependent(s) eligibility enrolling for coverage. I have read the preceding instructions, statements and answers and represent them to be true and complete to the best of my knowledge and belief. I understand and agree Blue Plus will act in reliance upon the information I have provided on this Application which materially affects enrollment eligibility and may result in the denial of a claim(s), rescission of the contract, the issuance of a contract amendment, or a premium adjustment.

By providing your e-mail address, you agree to receive communications and/or marketing materials related to the Plan you selected and products offered by or made available from Blue Plus and its affiliates. You may unsubscribe or change your e-mail address at any time by following the instructions included in each e-mail communication.

By providing your telephone number, you expressly consent to accept and receive communications and /or marketing materials related to the Plan you selected and products offered by or made available from Blue Plus and its affiliates, via text message or voice call to your mobile device and to the cellular/mobile telephone number(s) that you provided to us.

WARNING: E-mail and text messaging transmission cannot be guaranteed to be secure or error-free as information could be intercepted, corrupted, lost, destroyed, arrive late or incomplete, or contain viruses. As the recipient of an e-mail or text message from an unsecured e-mail or device, Blue Plus does not accept liability for any errors or omissions in the contents of this message, which arise as a result of e-mail or text message transmission.

I understand that this Agreement renews on an annual basis. I acknowledge that if my first payment is not made with this Application, premium payment is required by the due date printed on my first invoice. I understand that failing to pay before this due date will result in my Application being voided. I understand that payments in advance of the monthly amount will be credited to my future payments. I understand my payment must be received and processed in full before claims can be paid for any eligible services received.

STEP 6 - Sign, Authorize and Date Application - continued

I acknowledge that if my on-going monthly premium payments are not received within the plan grace period, my plan will be terminated. I understand that nothing in this Application creates a contract, and that, if this Application is approved, coverage will not take effect until I have made my first premium payment. I understand that the date I pay my first premium may impact my desired effective date.

If this Application is completed as an electronic or online Application, both parties agree to conduct this transaction electronically.
